Method

- > Mix flour, Exakt Zest, Yeast and water on slow speed for 2 minutes, then 6 minutes on fast speed using spiral mixer. Mix into a well developed dough
 - > Gently add the fruit (if fruit is soaked one day prior it improves the flavour and softness of the bread)
 - > Dough temperature: 27° - 28°C (80° - 82°F)
 - > Scale into heads (65 gm units)
 - > Intermediate proof: 5 minutes +/-
 - > Final proof: 45 - 50 minutes
 - > Proof temperature: 30°C
 - > Relative humidity: 80°C
 - > Bake temperature: 230°C (450°F)
 - > Bake time: 12 minutes
